

UPCOMING ROAD WORK:

Road Construction to begin on Isaac Frye Highway – From Wilson Center Road to Burns Hill Road on Wednesday August 1st. Work will consist of grinding up the old roadway, regrading and compaction of the roadbed, and a new base layer of pavement will be installed. The contractors on this project, Brox Industries and Advanced Excavating anticipate this work will take 3 days to complete, weather permitting.

During this work Isaac Frye Highway will be closed from Gibbons Highway (Route 101 by the Mobile Station) to Davisville Road. Wilton Center Road will be closed at Isaac Frye Highway, Traffic at Wilson Road and Isaac Frye will be detoured to turn south to Gibbons Highway. Burns Hill Road will be detoured at Sand Hill Road.

The highlighted area on this map to the right will be the work zone.

Wilton DPW will be working on Keyes Hill Road July 31st to August 3rd to rebuild sections of the roadway. This work will take place from 7:30 AM to 3:30 PM. Keyes Hill Road will be closed at The West End Road intersection (Wilton end) and at Colburn Road (Temple end). Detour signs will be in place. Please seek alternate routes.

The highlighted area on this map below will be the work zone.
